Acknowledging your favor of

Cambridge, Mass.

Dear Sir:-

When you were here in attendance to the A. A. A. S. I spoke to you concerning a copy of your Botany of California. You said for me to write you when I needed it, so will you please send me at your earliest convenience a copy, in two parts I believe, and the house will remit on receipt.

Yours very Resply  
Walter N. Evans,

Bot. Dept. E. L. & Co.
